WSDOT Construction Activity & Possible Delays/April 8-19, 2004

Revised: Correcting procedure description for Monday, April 19 on one project.

NEW!! HIGH IMPACT!! I-90/Variable Message Sign (MP 284)-Installation of an electronic variable message sign in the vicinity of Havana Street will require two short freeway closures.

- On Thursday, April 15 at about 11:00 p.m., eastbound and westbound I-90 between Thor/Freya Sts. and Sprague Ave. will be closed for about one hour while crews install the support structure across the full width of the freeway. Traffic will be detoured via Third Ave. (eastbound) and Sprague Ave. (westbound).
- On Monday, April 19, at about 11:30 p.m., eastbound I-90 between Thor/Freya Sts. and Sprague Ave. will be closed for about one hour while crews install the electronic sign above the eastbound freeway lanes. Traffic will be detoured via Third Ave.
- There will also be freeway lane restrictions before and after these two closures. In addition, on Tuesday and Wednesday, April 13 and 14, Fourth Avenue near Custer Street will be reduced to one lane while crews assemble the sign structure.
